

### Oquirrh Elementary School Parent Compact, 2017-2018

In order for each student to reach his or her highest potential for academic and social growth, the home and school must work together. To assist the student properly, all stakeholders must recognize and agree upon their roles in the learning process.

#### Student Agreement

Education is important to me. I am the one responsible for my own success.

**As a student, I will be responsible for the following items:**

<b>Be Safe</b>	<ul style="list-style-type: none"><li>•Be proactive and help others solve problem they have with one another.</li><li>•Follow all classroom procedures and school rules as outlined in the Oquirrh Code of Conduct.</li></ul>
<b>Be Respectful</b>	<ul style="list-style-type: none"><li>•Respect others' rights to learn without disruption.</li><li>•Be kind, apologize if I hurt others, and help others remember rules.</li><li>•Refrain from vandalism, stealing and using profanity.</li></ul>
<b>Be Responsible</b>	<ul style="list-style-type: none"><li>•Come to school on time, well-rested and prepared to do my best.</li><li>•Participate in the classroom.</li><li>•Complete all work assigned by my teacher including reading, spelling, and math.</li></ul>

#### Parent/Guardian Agreement

I understand that participation in my students' education is vital to their success.

**As a parent, I will be responsible for the following items:**

- Ensure student safety by checking in at the office when I come to school.
- Ensure that my student comes to school each day on time (by **8:10 am**), being well-rested and fed, and prepared to do his/her best.
- Provide an appropriate place to study and encourage my student to complete all homework.
- Ensure that my student is reading or being read to at least twenty minutes per day.
- Practice math facts and spelling weekly with my student, according to class requirements.
- Assist the school in maintaining discipline as outlined in the Code of Conduct & Jordan District Policy (i.e. dress code, cell phone, toys, etc.).
- Participate in school events (i.e. back-to-school events, Academic Parent Teacher Teams (APTT), PTA meetings, and other school activities).
- Read all school communications, and contact the school when I have questions.
- Contact the school to report the reason for any absence, and provide the school with documentation when it is appropriate.
- Provide and update current phone number, email, and other emergency information as changes occur.
- Notify the teacher of any concerns and possible solutions that may affect my student's behavior or performance.
- Teach my student to understand and respect the diversity of others.
- Encourage positive use of out-of-school time and monitor television watching and the use of all electronics.

#### Staff Agreement

I understand the importance of a quality education for all students and my role as an educator and positive role model.

**As an educator, I will be responsible for the following items:**

- Create and promote a safe, positive, and healthy learning environment.
- Provide a challenging instructional program aligned with the Utah Core Standards that will motivate and challenge my students, as well as addressing their individual needs.
- Assign appropriate homework with clear instructions.
- Encourage students to read daily at school and at home.
- Facilitate frequent and clear communication (positive and possible concerns) between the classroom and home, using such communications as: emails, phone calls, text messages and planners.
- Communicate ways for parents/guardians to support learning at home.
- Plan and prepare for Academic Parent Teacher Teams (APPT).
- Notify parents/guardians of any concerns and possible solutions regarding their student.
- Provide opportunities for parents/guardians to volunteer, observe, and participate in classroom activities.
- Participate and contribute to the effectiveness of Professional Learning Communities.
- Fully participate in professional development and in-service that improves my instructional practice.
- Promote an understanding and respect of diversity.
- Respect the school, staff, and students.
- Attending Family Involvement Activities. (i.e. Family Fun Night , Back-to-School Night & APPT Nights)

#### Administrative Agreement

I understand the importance of my leadership role in establishing and implementing goals and objectives for a successful school program.

**As a principal, I will be responsible for the following items:**

- Provide leadership in establishing the vision and mission of the school and in formulating strategic plans to support school goals.
- Provide strong instructional leadership for the development and implementation of scientifically research-based instruction and curriculum that is aligned with Utah State Core Standards and embraces best practices.
- Assume responsibility for student discipline and safety.
- Communicate with parents/guardians, teachers, and students regarding all programs that affect the education and welfare of all concerned.
