Parent/Guardians:

Student safety is extremely important to Oquirrh Elementary faculty and staff. Attached is a copy of the schools boundary map with the safest routes that students can use to walk/bike to school. Please look at the routes and procedures and review them with your child.

Procedures:

1. Students must use the sidewalks that exist on both sides of the major streets. In subdivisions without sidewalks, students should walk on the left side of the street facing traffic.
2. Adult crossing guards will only be on duty at the six locations located on the map (see attachment for these times). Please encourage students to get home from school, directly, as crossing guards do not receive extended time and may have to leave before students get to the crossings.
3. While crossing the crosswalks, skywalk and on school grounds, students should not ride their bikes or scooters.

Safe Walking Routes:
