DO YOU NEED HELP PAYING YOUR ENERGY BILLS?

**H.E.A.T.
Home Energy Assistance Target**

H.E.A.T. is a program designed to help low-income families with their utility bills during the coldest months of the year; especially those households that are most vulnerable, such as the elderly, the disabled, and households with young children.

The Jordan School District is partnering with H.E.A.T. to help families within our schools. As a courtesy, we help you fill out the application and submit it to the H.E.A.T. office.

H.E.A.T. applications are being accepted **October 1 until September 30.**

Make your appointment by calling Health Services **801-567-8508**
